

MANUFACTURER WARRANTY

1.0 DEFINITIONS

- 1.1. The warrantor for the limited warranties set forth herein is SUNGROW Power Supply Co., Ltd. ("SUNGROW").
- 1.2. The "Product" means the photovoltaic Inverters and peripheral devices manufactured by SUNGROW and purchased from SUNGROW or its qualified distributors by End-users.
- 1.3. The "Warranty" means this limited warranty contract for SUNGROW Product.
- 1.4. "End-user" means the owner of the Product for which Service will be performed under the Plan.
- 1.5. "Manual" means the current SUNGROW installation, operation and maintenance guide for the Product covered under this Warranty
- 1.6. The "Registration Form" is the Photovoltaic Inverter Warranty Registration Form as set forth in SUNGROW's website. The Registration Form must be completed and returned to SUNGROW.
- 1.7. "Reaction time" means the time between the claim is accepted by SUNGROW officially and the Service is provided.
- 1.8. "Service" means Actions in Item 2.1 in response to a claim.
- 1.9. "Site" means the location of End-user's Product that is covered under this Warranty.
- 1.10. "Warranty Period" means the period of time the Product is covered under this Warranty.

2.0 LIMITED WARRANTY

- 2.1. If any equipment is considered faulty while under SUNGROW's warranty, and provided the deemed action, via the contact methods declared in SUNGROW's website www.sungrowpower.com, is considered feasible and appropriate, SUNGROW shall carry out the following at their discretion:
 - a. By Email or FAX, accepting the claim with service ticket number or refusing the claim out of SUNGROW's equipment's issue within 24 hours, excluding weekend and local public holidays;
 - b. Recording the claim and making solution;
 - c. SUNGROW reserves the right to require the claimer to pay deposit in advance before the service solution is implemented in the countries and areas not listed in Appendix A,
or
for claimers have or had overdue payment in purchasing of products or service from SUNGROW;
 - d. Sending replacement or on-site technicians from SUNGROW or authorized third-party;
 - e. Checking and correcting the installation and connecting of the defect equipment; replacing the defect parts in the claimed equipment as the solution by technicians from SUNGROW or authorized third-party,
or
Replacing the defect equipment by technicians from SUNGROW, authorized third-party, or authorized installer or maintenance operator of the claimer;
 - f. Issuing the On-site report for on-site service with detailed time, components consumption, and root of the failure, and the representative of claimer must sign the report when it is accepted;
 - g. Reaction time of the activities above is stipulated in Appendix A;
 - h. Collecting the defect units or parts as properties of SUNGROW; the claimer has the responsibility to keep the defect units or parts before the collection of SUNGROW, up to one (1) month in the countries and regions stipulated in Appendix A; or up to one (1) year in the rest of world out of China;
 - i. Testing and repairing the defect units or parts in the workshop belonging to SUNGROW or authorized third-party;
 - j. Issuing Recovery Report for the defect units or parts with detailed root of the failure;
 - k. If the root of failure is confirmed to be out of warranty by the On-site Report or Recovery Report, SUNGROW reserves the right the charge the related expenses to the claimer, and has the responsibility to support the claimer to recharge the third-party to be responsible for the failure;
 - l. If the claimer paid deposit in advance, the expenses will be taken from the deposit within three (3) months since the On-site Report or Recovery Report issued and the rest of the deposit will be returned to the claimer;
 - m. If the claimer refuses to pay the expenses claimed by SUNGROW, SUNGROW reserves the right to cancel the warranties of all equipment from SUNGROW in the same site.
- 2.2. SUNGROW warrants that SUNGROW products (the "Warranted Items") are free from defects in material and workmanship. Any other costs, in particular delivery charges, travel and living expenses incurred by SUNGROW's field service engineers during on-site repair work, as well as costs for the client's employees or any third parties are NOT covered by the this Warranty, unless there are special stipulations in Appendix A. SUNGROW has sole responsibility and discretion for determining the cause and nature of a product defect, and SUNGROW's determination with regard thereto shall be final.
- 2.3. This Warranty extends to the End-user of the SUNGROW products, including any subsequent operator or a lessee or assignee of a lease, at the same site during the warranty period of the Product purchased by the End-user, with the exception that the continuation of the Warranty for an installed Product relocated to another site is subject to a site inspection by SUNGROW at the new site prior to installation, at End-user's expense.
- 2.4. If, in the opinion of SUNGROW, a Warranted Item is defective and the defect is within the terms of this Warranty, SUNGROW will be obliged, depending on the arisen defect, to repair or to replace the defective product. The decision whether to repair or to replace the defective equipment will be held in every case only by SUNGROW.

- 2.5. SUNGROW and the End-user shall mutually agree upon the conduct of any tests required to determine whether a Product is defective in advance of conducting such tests. SUNGROW reserves the right to supply a different Product model, or product from the third-party with written acceptance from the End-user, to settle warranty claim. The replaced unit or part will keep the warranty period of the original products. If the warranty period left of the original product is less than one (1) year, the warranty period will be extended to one (1) year since the date of the replacement is done. Any parts that are replaced may be new or reconditioned. All parts replaced by SUNGROW shall become the property of SUNGROW.
- 2.6. This warranty rights established on this document do not cover costs following, unless there are special stipulations in Appendix A.
- The transport costs of the damaged products when sending them to the factory to be repaired, neither when receiving them back
 - The labor, equipment or transportation costs due to dismantling of the damaged products and reinstallation of the repaired ones
- 2.7. The Warranty detailed here above is offered by SUNGROW as standard Warranty in a universal way for all its standard range of SUNGROW products. SUNGROW reserves the right to offer extended special Warranty conditions, according to the different country technical and commercial conditions. In that case, these special conditions will be stated in a separate document.

3.0 STANDARD WARRANTY AND EXTENDED WARRANTY

- 3.1. The period covered by this Warranty for Product installed in worldwide except mainland of People's Republic of China, is indicated in the table below. If SUNGROW receives a completed Registration Form (the "Registration Form") from the End-user within six (6) months of the installation date, the Products registered will get three (3) months more Warranty.

Products	Starting Date	Standard Period	Warranty
String Inverters (for end users purchased through Sungrow authorized Dealers and Distributors)	First-time Installation date	5 years, no more than 6 years since production date	
Central Inverters String Inverters (for End-user in projects) Transformers, switch gear within Inverter Station Products Equipment within Inverter Station Product, excluding inverters, transformers, switch gear and container Re-combiners and Combiners Communication, Monitoring & Control Equipment	The earlier date between i) First-time installation date, or ii) Three (3) months after the Product left the port of China		
		2 years, no more than 3 years since production date	

Note: All warranty periods are as above unless specified on a SUNGROW quote

- 3.2. Extended warranty options may be available to purchase for specific product range up to a total period of 25 years.
- 3.3. The Extended Warranty Contract must be taken out for all the inverters making up the PV plant; it cannot be taken out for a partial number of units.
- 3.4. Extended Warranty can be purchased from SUNGROW at the time of original purchase of products, or within the first year of the installation date, or within the Manufacturer Warranty (price may differ) and can't be provided if the warranty is already lapsed; a purchased Extended Warranty can't be extended or reduced to another Extended Warranty with different period at any time.
- 3.5. SUNGROW provides the full lifecycle service for Products, including Service or replacement by latest Products, decided by SUNGROW, even after Manufacturer Warranty and Extended Warranty

4.0 WARRANTY EXCLUSIONS

- 4.1. This Warranty does not cover any defects or damages caused by:
- Improper transportation and delivery
 - Failure to properly store the Product before installation
 - Improper installation or inadequate transport conditions, not following the SUNGROW Installation Manual
 - Use and application beyond the definition in user manual of the Product
 - Neglect, abuse, misuse, improper maintenance or lack of maintenance, as set forth in the SUNGROW User Manual
 - Repairing, adjustment or alteration, not authorized in writing by SUNGROW
 - Voltage surge coming from PV array DC side or from grid AC side
 - Acts of nature such as surge, fire, flood, plagues, earthquake, and lightning
 - Damage or accidents due to the third parties actions or any other reasons different to the standard use conditions of the inverters and that are out of the control of SUNGROW
 - Non-compliance with applicable regulations and standards
- 4.2. This warranty does not cover fuses, surge suppressors, filters, or cosmetic damages.
- 4.3. This Warranty shall be void, if
- Serial number of the Product has been altered, manipulated, or cannot be clearly identified
 - The End-user fails to make any Product subject of a claim available for inspection, testing and correction
 - Complaints concern aesthetics, unless they mean a malfunction or a difference in performance compared to the one announced on the technical and commercial brochures of SUNGROW
- 4.4. Any other Warranty right not mentioned specifically on this document is out of the scope of this Warranty

5.0 FORCE MAJEURE

- 5.1. Neither party (SUNGROW or the End-user) shall be liable hereunder by reason of any failure or delay in the performance of its obligations hereunder on account of acts of god or other cause which is beyond the reasonable control of such party and could not have been avoided by the exercise of reasonable prudence, including but not limited to natural disasters (e.g. earthquakes, floods, landslides), explosions, fire, destruction of machines, equipment, factories and of any kind of installation, prolonged break-down of transport, telecommunication or electric current or other circumstances with comparable effects (e.g. terroristic attacks, nuclear accidents, war, civil war or similar uprising, general strike, strike, lock-out).
- 5.2. In the event of the occurrence of any force majeure event, the affected party shall notify the other party immediately in writing of the invocation of this section, and each party's obligations hereunder to the other shall be suspended for the duration of such force majeure event; provided, however, that the affected party shall be obligated to use its commercially reasonable efforts to restore performance hereunder as soon as reasonably practicable, and provided, further, that if such event continues for more than thirty (30) days in the aggregate in any six (6) month period, the non-affected party shall have the right to terminate this agreement at any time upon written notice to the other party.

6.0 END-USER'S OBLIGATIONS

- 6.1. In order to receive the benefits of this Warranty, the End-user must use the product in a normal way; follow the Product's current Manual; protect against further damage to the product if there is a discovered defect.
- 6.2. End-user shall provide SUNGROW Service personnel with access to the Site and any special instructions for access to the Site. SUNGROW shall have no liability in the event that access is not provided to the Site and End-user will be invoiced for any costs incurred by SUNGROW in the event an additional visit is required to the site due to lack of access.
- 6.3. It is the End-user's responsibility to notify SUNGROW of any hazards at the Site and assure that the Site is free from hazards or obstructions, and that all safety precautions are followed at the Site.

7.0 OTHER LIMITATIONS

- 7.1. SUNGROW's obligations under this Warranty are expressly conditioned upon receipt by SUNGROW of all payments due to it (including interest charges, if any). During such time as SUNGROW has not received payment of any amount due to it for the Product, in accordance with the contract terms under which the Product is sold, or the payments stipulated in Item 8.1, SUNGROW shall have no obligation under this Warranty. Also during such time, the period of this Warranty shall continue to run and the expiration of this Warranty shall not be extended upon payment of any overdue or unpaid amounts.

8.0 COSTS NOT RELATED TO WARRANTY

- 8.1. The End-user shall be invoiced for, and shall pay for, all services not expressly provided for by the terms of this Warranty, including without limitation, site calls involving an inspection that determines no corrective maintenance is required. Any costs for replacement equipment, installation, materials, freight charges, travel expenses or labor of SUNGROW representatives outside the terms of this Warranty will be borne by the End-user.

9.0 LIMITS OF LIABILITY

- 9.1. This Warranty constitutes End-user's sole and exclusive remedy for claims against SUNGROW in respect to defective or non-conforming Products hereunder and is in lieu of all other warranties, conditions, guarantees or representations from SUNGROW relating to the products hereunder, whether oral or written, express or implied, statutory or otherwise, in contract, tort or otherwise, including without restriction, any warranties of merchantability or of fitness for a particular purpose, and any such warranty, condition, guarantee or representation is hereby excluded. In no event shall any claim, failure of any Product hereunder, or breach of this Warranty, render SUNGROW, its affiliates, subcontractors or suppliers liable to End-user or its affiliates for indirect or consequential damages or loss of use associated with warranty claims for lost profits or loss of revenues, or any associated equipment, cost of capital, cost of substitute equipment, facilities, services or replacement power, downtime costs, claims of End-user's customers for such damages, or for any other special, consequential, incidental, indirect or exemplary damages. SUNGROW's total liability for any and all warranty claims and costs under this Warranty shall not exceed the total amount of payments received by SUNGROW for the product that is the subject of a claim.
- 9.2. The Warranty limitations mentioned here above will be applicable unless they are against the legal prescriptions currently running on each country in reference with product responsibility. In case of conflict with any of these prescriptions, the nullity will affect only that clause in particular, being valid the rest.

10.0 WARRANTY CONTRACT EFFECTIVE DATE, APPLICATION AND VALIDITY

- 10.1. Present warranty contract conditions are valid as of the corresponding issue date and shall be applicable to all those SUNGROW inverters and peripheral devices manufactured from the date onwards, and for which the said guaranty extension has been taken out, remaining valid until December of the year in force, for signed contract, or until the next issue change for the unsigned contracts. SUNGROW reserves the right to make any changes and modifications, at no prior notice, for unsigned contracts in addition to the right to decide whether to accept new contracts or the annual contract renewal.

11.0 PRICE

- 11.1. For service not covered this Warranty, a service personnel of SUNGROW will charge one hundred (100)USD/hour or Eighty (80) EUR/hour in working days; One hundred and fifty (150)USD/hour or One hundred and twenty (120) EUR/hour in national holidays and weekend; the upper limited of a working day is One thousand (1000) USD or Eight hundred (800) EUR as well as the upper limited of a holiday is One thousand and two hundred (1,200)USD or one thousand (1000) EUR, including the time of travel from the closest maintenance station to the claimed device and return.
- 11.2. SUNGROW reserves the right to adjust the prices.

12.0 PAYMENT TERMS

12.1. The payment for the service contract should be paid once within Thirty (30) days after the date SUNGROW's invoice issued
